

Camping at Carstens Farm

All camping spots are reserved on a first come, first served basis.

We have 24 camping spots with full electricity. Hook-ups are 50-amp, and you must have your own converter.

The 2010 camping fee will be \$15 per day, plus daily gate fee (see below). **Payment for the camping spot is required prior to setting up.**

We have lots of space for tents at no camping charge.*

* We require an advance of the gate fee for all campers for the remaining days of the show. Paid vendors are excluded, and kids 8 and younger are free. (***THIS CHARGE IS NON REFUNDABLE FOR EARLY DEPARTURE.***)
